DIRECTOR
INTERNATIONAL COMMUNICATIONS AGENCY

SUBJECT: Public Affairs Issues Relating to the President's
Trip to Europe

Thank you for your excellent report on the briefing which Bob Hormats and Henry Nau conducted in Paris for the Public Affairs Officers from various European posts. Henry Nau submitted a succinct summary of the most important public affairs comments which your officers made and that was distributed here in the White House to the appropriate offices.

Once again, thank you for all of your efforts in connection with the Summit preparations, particularly the work you are doing on the Youth Initiative.
